

**Product Code:
VKC5615**

System:
204

Description:
Airbrick Adapter to Round 100mm

Design Features: Designed with slow transition from round to rectangular for minimal pressure loss.

Connects to the socket of any System204 component and to a round 100mm pipe or any 100mm socket. Used to install a fan to the pipe and exit through an airbrick.
