

PRODUCT DATA SHEET

VKC5610

204x60mm Flat Channel Clip

MANUFACTURER:	VERPLAS LTD
PART NUMBER:	VKC5610
SIZE:	204x60mm
FOR USE WITH:	VERPLAS SYSTEM 204
BOX QUANTITY:	60
INDIVIDUAL WEIGHT:	30g
COLOUR	Black
MIN OPERATING TEMP	-15°C
MAX OPERATING TEMP	+60°C

SPECIFICATION DETAILS

The VKC5610 204x60mm Rectangular Flat Channel Clip is manufactured from (black) Polypropylene.

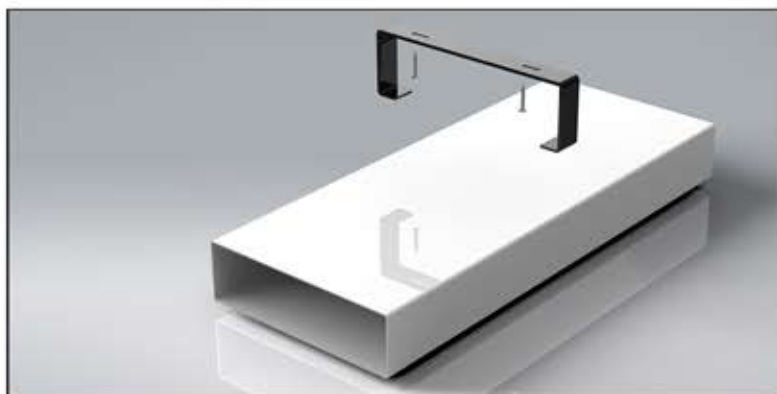

It is secured to the floor slab/joist using the pre-determined screw fixing positions. The duct is then clipped into the VKC5610. Rigid Duct must be adequately supported and it is recommended at least every meter or either side of a connector.

VKC5610 is manufactured in compliance with Domestic Plastic Ductwork Specification DW/154 and does meet UL94HB flammability standard.

VKC5610 has been designed for use with Verplas System 204 Rectangular.
