FOR PROBLEMS WITH YOUR ORDER

Upon receiving your delivery, please report any issues such as missing products, damaged goods, or incorrect items in writing within 7 working days, by emailing aftersales@verplas.co.uk. Failure to notify us within this period will result in us being unable to provide replacements or credits.

You can also inform us about an order issue by visiting the "Raise a Case" section on our Customer Portal.

COLLECTING YOUR ORDER

You have the option to collect an order yourself or organise your own transport. Please inform us when placing an order if you wish to do either of these. Once we have notified you that the order is ready, collection must occur within 7 working days. Failure to collect within this time will result in order cancellation and a 40% restocking fee will be applied.

INTERNATIONAL ORDERS

Carriage fees for international orders will be charged at cost, irrespective of the order's size or value. Please contact us to receive an estimated price when placing your order. Keep in mind that carriage charges fluctuate daily, and the confirmed cost will be provided once the order is packed and prepared for shipping.

We do not offer a stock cleanse service.
